

UNITED COMMUNITY HOUSING COALITION

SPONSORSHIP PACKAGES

For more than 50 years, United Community Housing Coalition has stood with Detroit residents to ensure safe, stable, and affordable housing for all. Our Annual Dinner brings together community leaders, advocates, and supporters to celebrate this work, and to build the resources needed for the year ahead.

UCHC ANNUAL DINNER

The UCHC Annual Dinner is our signature fundraising and community celebration, bringing together community leaders, housing advocates, supporters, and partners each year. The evening features inspiring stories from families whose homes have been saved, recognition of our dedicated staff and volunteers, and a celebration of more than 50 years of housing justice in Detroit. Proceeds from the event directly fund UCHC's programs that prevent eviction, stop foreclosure, and secure safe housing for thousands of Detroiters each year.

Join us in making housing justice a reality for every Detroit family.
